

YOU ARE WARMLY INVITED

ANNUAL GENERAL MEETING

THURSDAY

7th May 2026

7:00pm

Join your neighbours for an important and uplifting evening about the future of our beloved village hall — a building at the heart of Milton Abbot life for generations past and future.

"Help shape what happens next."

MILTON ABBOT VILLAGE HALL · ALL WELCOME

We need you.

Our hall needs a few good people to help it thrive.

COMMITTEE MEMBERS

Help steer the hall's future — deciding on events, improvements and community life. Meetings are infrequent, the rewards are real, and your voice genuinely matters.

TRUSTEES

As a trustee, you're a guardian of this heritage building for future generations — a meaningful role that doesn't demand your every weekend, but does ask for your care and judgement. Legal indemnities are provided for you in this role.

SUPPORTING ASSOCIATES

Not ready to commit to a formal role? Become a supporting associate — lend a hand when you can and stay connected to everything happening at the hall.

*"This isn't about burden — it's about belonging.
Come along, hear the plans, and see if there's
a role that feels right for you."*
